Care Credit (<http://www.carecredit.com/vetmed>)

Phone: (800) 677-0718

CareCredit offers Special Financing and low monthly payment options, no up-front costs, and no-prepayment penalties so you can keep your pet healthy and happy.

Brown Dog Foundation (<http://www.browndogfoundation.org/prequal>)

If you believe that your pet's life is in immediate danger, you should apply here, but seek immediate assistance from a licensed Veterinarian. We will consider assisting in cases where treatment has already occurred IF the pet's life was truly at risk, provided you complete this questionnaire within 7 days of the injury/illness. Please be mindful that if your bill is expected to exceed \$1,000 it is unlikely Brown Dog can help.

"Thank you for contacting Brown Dog Foundation. We are an organization dedicated to **helping families who find themselves in a temporary financial crisis at the same time their pet requires life-saving treatment or life-sustaining medications**. We provide assistance to families who normally live above the poverty line, but have experienced a financial setback - unemployment, unexpected and major medical bills, loss of home, etc. We are designed as a one-time benefit in most situations. We are committed to ensuring we help maintain and strengthen the bond between pets and their families during times of unexpected financial crisis. As a result, if your application is approved and funded, we will require very detailed information and long-term commitments.

Treatments we consider funding:

- Surgery related to correctible immobility of pet when the life of the pet is in danger
- Exploratory surgery when the life of the pet is in danger
- Treatable cancers (Stages I-III)
- Treatable neurological disorders
- Diagnosis and initial treatment of on-going conditions/diseases (except cancer)
- Treatable organ disorders (organ must not be in failure)
- Limb removal (when the animal's life is truly at-risk)
- Palliative Treatment for End of Life cases

Requirements:

- Proof of Income (IRS Tax Return Form 1040s + Recent Paycheck Stubs for all working adults in the household where the pet resides
- **AND** proof of the hardship you claim – if your income exceeds 300% of the [Federal Poverty Guidelines \(link\)](#)
- **OR** a Social Security Statement for the pet-owner
- **AND** proof that you own the animal need which can be determined with Adoption/Purchase Papers, Vet Records and/or Rabies Certificates for two consecutive "terms"
- **AND** at least one photo of your pet with at least one member of the family
- **AND** a brief story about how your pet came to live with you and how you came to need Brown Dog's help

***THIS APPLICATION MUST BE COMPLETED BY THE VETERINARIAN!! NO RESPONSE WILL BE MADE TO THOSE APPLICATIONS NOT COMPLETED BY THE ATTENDING VETERINARY HOSPITAL**

Dylan's Hearts is a 501c3 organization funded by contributions by caring individuals. This form must be completed by the attending veterinarian in order for Dylan's Hearts to consider providing financial assistance. Your client should also know that because our vision is larger than our pocketbook, we seldom can provide the total cost of the animal's treatment. Our goal is to be able to offer enough funds for the animal to move forward with treatment while you make other arrangements with your client for the balance due. Thank your for contacting Dylan's Hearts and providing an opportunity to help this animal in need.

[Applications For Assistance](#)

Eligibility:

The guidelines for making funding decisions are below. Every request for funding will be reviewed on a case-by-case basis and Dylan's Hearts reserves the right to grant or deny a funding application without further explanation. Proof of financial need must be documented.

Approved Forms of Financial Documentation:

Check the US Government WIC Guidelines by [clicking here](#) to see if your family qualifies for our program.

If your household does not qualify under WIC guidelines, you can still qualify if any of the following apply:

- Current Medicaid Card
- Current EBT Food Stamp Card
- Current Welfare Recipient
- Currently Receiving Social Security Disability
- Currently Receiving Unemployment Benefits

Other Eligibility Requirements:

- The Applicant Must Be Seeking Assistance for One Animal in Need of Urgent Medical Care
- The Applicant Must Obtain a Diagnosis & Treatment Plan before Applying
- Dylan's Hearts Cannot Pay for Existing Veterinary Bills
- Applicants Are Only Accepted through the Attending Veterinarian
- The Applicant Agrees to Provide Updates & Photos of the Animal

The Animal Must*

- Have a Life Threatening or Critical Injury or Illness that Requires a Specific Treatment
- Must Have a Favorable Prognosis

**Dylan's Hearts does not fund for on-going or chronic issues or medicine that requires continual treatment.*

Cancer Eligibility Guidelines

- The Animal Is Being Treated through a Veterinary Hospital for Cancer
- The Animal's Expected Response from Treatment Is Either Achieving Remission or Prolonged Good Quality of Life

The Veterinary Clinic Must

- Be Willing to Provide an Itemized Estimate of the Planned Treatment
- Be Willing to Accept Payment from Dylan's Hearts
- Be Willing to Provide Updates on Treatment to Dylan's Hearts

Life Threatening and Critical Care Emergencies

Dylan's Hearts knows the veterinarian is the best one to determine the urgency of an animal's need for care. At times, this care must be immediate in order to save the animal. We will do our best to help in these situations. While there will be times we will not have all of the funds needed, hopefully we can offer enough so that you can move forward with treatment and make other arrangements for the balance

Letter of Acceptance

When Dylan's Hearts approves an application the veterinarian will always be notified with a letter of acceptance. The letter of acceptance will advise of the amount we have approved for the specific application received.

Payment

After treatment has been provided, [email](#) Dylan's Hearts a copy of the invoice. The invoice should reflect any amount already paid by the owner or caregiver or any donations made from other organizations. Payment will be made by check and sent via US Mail or UPS™ within 10 days of receipt of the invoice (Payments will be made to the veterinarian, 501c3 approved rescue organizations, or a pharmacy for veterinarian prescribed medications only. No payment will be made directly to an animal's owner.). Funds can only be held for a specific case for 30 days, so please send your invoice to Dylan's Hearts as quickly as possible.

Healing Haven Animal Fund (<http://healinghavenanimalfund.org/financial-aid/>)

We believe that animals should not have to die due to lack of finances. Healing Haven Animal Fund's mission is to provide funding for urgent veterinary care for sick or injured animals that are homeless or whose guardian has financial limitations. Every animal deserves a chance.

Guidelines

In order to qualify for financial aid, the animal must be in need of immediate veterinary care for life threatening injury or illness.

Funds are never allocated directly to the pet's guardian. They are always sent directly to the treating veterinarian.

Each case is handled on an individual basis.

The pet's guardian must meet the following requirements:

1. The guardian must reside in United States.
2. Has applied for care credit prior to applying to Healing Haven if the veterinarian accepts care credit.
3. Has access to the internet
4. Receives one or more of the following:
 - Medicare or state Medicaid
 - Unemployment or had been receiving unemployment that is now expired
 - Social security as your only income
 - Income from a public assistance program

OR

Is mentally challenged, physically challenged, disabled or a senior citizen

OR

Is a 501 (C) (3) rescue group

Documentation Requirements

- A copy of the veterinarian's estimate for the necessary veterinary care; this must include spaying and neutering of the pet if the pet is undergoing anesthesia for another procedure.

Friends & Vets Helping Pets (www.FriendsandVetsHelpingPets.org)

Phone: (859) 309-2043

Aims help those who are under 200% of the [Federal Poverty Guidelines](#) and who can demonstrate that their pets are facing euthanasia or death if they are unable to pay the medical costs associated with their treatment. However, since there are limited funds, not all applicants can receive a grant. The board is made up of animal lovers and understands the emotions involved in situations like these. They are here to help, listen, and to answer any questions you have.

Applicant Process (<http://friendsandvetshelpingpets.org/need-assistance/>) :

Step One: People interested in receiving a grant from Friends & Vets Helping Pets (FVHP) need to complete and submit the [Initial Qualification Form](#). In order for an applicant(s) to qualify for further review, the applicant(s) must demonstrate financial need. Each application will be reviewed individually. The applicant(s) will then be notified via e-mail of preliminary approval or denial.

Please note: A preliminary approval does not mean the applicant(s) will be qualified for a grant.

Step Two: Upon preliminary approval, the applicant(s) will be sent a Formal Qualification Form. The applicant(s) must complete the Formal Form and submit along with the required documentation.

Step Three: The veterinarian will receive a Request for Veterinary Approval (if not previously registered with FVHP) and a Pet Information Form. The veterinarian must complete and submit these forms along with their cost estimate for the treatment so that their client may be considered for a grant.

Step Four: Friends & Vets Helping Pets (FVHP) works on a pre-approval basis so once we receive applicant's formal application and required documentation as well as the veterinarian's documentation, we will submit the information to our Review Committee for consideration. We will contact all parties via email with the Review Committee's decision and if approved, the grant amount approved. Upon receipt of this approval letter, the veterinarian is guaranteed payment of agreed funds and may start treatment. Following treatment, we remit payment to the veterinary clinic/hospital directly.

Friends & Vets Helping Pets does not discriminate based on race, color, national origin, sex, age, religion, political beliefs, or disability. If any questions asked on the application ask for such information is it important to note that financial aid will not be decided based on such information.

Lovie's Legacy Veterinary Assistance Program

(http://www.lovieslegacy.org/Programs/Veterinary_Assistance_Program/)

V.A.P. Hotline Phone: **(615) 383-0074**

Veterinary Assistance Program provides small grants to low-income pet owners in Tennessee whose pets are in need of urgent medical care. Pet owners may call our V.A.P. hotline, **(615) 383-0074**, 24-hours a day, 7 days a week and can apply directly over the phone. Should they meet our grant guidelines, we will work directly with your vet to arrange for payment. Most grants are for \$150.00.

The Mosby Foundation (<http://themosbyfoundation.org/what.html>)

The Mosby Foundation is an all volunteer, 501(c)3 non-profit organization specializing in paying medical expenses for sick, abused and neglected dogs. Many of these dogs have been abandoned with no one to speak on their behalf, or to help them live the lives all dogs are meant to live. Others have owners with limited means for providing adequate medical attention for their pets. Completion of an application requesting financial assistance is required. Verification of medical need and medical services is made with the attending veterinary hospital. Each request is reviewed individually to determine the amount of funding the applicant could receive. Payment is made directly to the attending hospital.

- Not equipped to respond on an emergency basis.
- Please be advised that we also do not pay for treatment that has already been performed.
- Funds pledged will be available for 60 days after the date they were originally pledged. After that time they will not be available.
- It is our requirement that all dogs we help be spayed/neutered prior to our providing financial assistance. In rare cases when physically possible, this can be done at the same time as the needed medical treatment IF the treating veterinarian will perform the sterilization at the same price as a low cost spay/neuter clinic.

To apply for a grant, you must complete a pre-application:

<http://themosbyfoundation.org/apply-for-assistance/pre-qualification-app/>

The Onyx & Breezy Foundation (<http://www.onyxandbreezy.org>)

The Foundation was formed in 2004 by Mark and Wanda Shefts to honor the memory of their two Labrador Retrievers. The Shefts' passion for animals led them to create this non-profit foundation, which assists animals in a variety of ways.

The foundation lends financial support to:

- Spay and neuter programs
- Rescue of animals from kill shelters
- Food, medicine and supplies
- Cancer Research
- Medicine and equipment for military and police canines
- Equipment for medical facilities
- Puppy mill rescues and disaster relief
- Shelters, rescues, foster groups and sanctuaries
- Pets of individuals where medical hardship is present
- Helping the dogs of veterans suffering from PTSD
- Other endeavors that benefit the welfare of animals

All grant applications must be returned with the following to be presented for consideration (<http://www.onyxandbreezy.org/requesting-a-grant.html>):

Individuals

- Tax Return
- Diagnosis & Prognosis (if applicable)
- Estimate of cost
- Care Credit status (for individuals only)
- Please provide a contact telephone number that accepts calls from a "blocked" telephone number.

Paws 4 a Cure (<http://www.paws4acure.org/>)

Please visit the website and review all information under the “[Ask For Help](#)” link on the left side of the page

Paws 4 A Cure is a non-profit organization dedicated to helping families that are in need of non-routine veterinary financial assistance* for their dog or cat. **Please keep in mind, Paws 4 A Cure can only assist qualified applicants and assistance is only provided with non-routine veterinary care. This means that Paws 4 A Cure does not provide assistance for spaying/neutering, vaccinations, routine office visits or euthanasia.**

Because donations to Paws 4 A Cure are at a critical low and applications for financial assistance are at an all-time high, our funds are extremely limited. As a result, if your application for financial assistance is approved, you may not receive all of the funds for which you apply. Please be advised that the maximum assistance available from Paws 4 A Cure is \$500. We **strongly urge** you to apply to several different financial assistance programs before applying to Paws 4 A Cure.

Before Paws 4 A Cure can review your application, you are required to apply to CareCredit. Since Paws 4 A Cure is not affiliated with CareCredit, you will need to provide a copy of your approval/denial letter.

ELIGIBILITY GUIDELINES:

- Paws 4 A Cure cannot assist with charges incurred prior to approval of application and receipt by veterinarian of the Acceptance Letter;
- Paws 4 A Cure cannot pay for treatment in advance;
- Paws 4 A Cure cannot pay a deposit;
- Paws 4 A Cure cannot reimburse the applicant for payments made to the veterinarian;
- Paws 4 A Cure cannot pay on an invoice showing no balance due;
- Paws 4 A Cure will send a check via USPS within 30 days following receipt of an itemized invoice faxed by the veterinarian;
- Paws 4 A Cure will pay only up to the invoice balance due;
- Paws 4 A Cure will only make payment to a veterinarian, clinic or hospital. Funds are never disbursed to an applicant;
- If a pet insurance company approves a claim for any portion of a bill for treatment that was funded by Paws 4 A Cure, such reimbursement **must** be submitted to Paws 4 A Cure

Please remember that Paws 4 A Cure cannot accept your application without the completion of all the necessary documents and forms. You are required to provide all documentation for every member of your household.

The following documents are required for all members of your household before your application can be reviewed.

- Copy of your license or ID;
- Last pay stub;
- All pages of your latest federal tax return for all members of your household;
- Copies of your last two bank statements for all members of your household from all of your bank accounts;
- If you are unemployed: a copy of your SSI or SSDI benefit letter or, proof of any federal or state assistance or, unemployment benefits letter or, W2 or 1099 from employer for all members of your household;
- Copy of your approval/denial letter from CareCredit;
- Your most recent CareCredit statement (if applicable);
- A copy of the front and back of your pet's insurance card (if applicable);
- [Veterinary Dx/Treatment Form and Payment Policies](#) (you must provide to the treating veterinarian or direct them to the Veterinary Professionals page. To be completed by the veterinarian office only, do not write on this form);
- Estimate of service from the treating veterinarian.

For your protection – before sending any documents to Paws 4 A Cure, please black out all occurrences of account numbers and/or social security numbers.

Paws 4 A Cure will need some information from your treating veterinarian about your dog or cat before reviewing your application. The **required** information form can be found at the Paws 4 A Cure [Veterinarian Information](#) page.

Required documentation from the treating veterinarian:

- Veterinary DX/Treatment form
- Estimate of service
- Office notes
- W9

Your completed documentation can be sent either by you or by your veterinarian, using one of the following methods:

- Via fax: (866) 799-5166
- Scanned as a pdf and emailed to info@paws4acure.org

Do **not** send your documentation as a jpg or any image file other than for your ID. Click the link to download a free pdf creator. <http://sourceforge.net/projects/pdfcreator/>

Or mailed to:

Paws 4 A Cure
Attn: Grants
P.O. Box 1821
Wakefield, MA 01880

(Please be advised, if your required documentation is not received within 30 days of your online application you will need to resubmit a new online application.)

Paws 4 A Cure is unable to process your application without the treating veterinarian's documents and estimate of service. You are required to provide the treating veterinarian with the documentation or direct them to the [Veterinary Professionals](#) page.

Please scan your documents as a pdf and email them to info@paws4acure.org or fax them to (866) 799-5166.

Do **not** send an email, you must complete the online application. Paws 4 A Cure does not accept email inquiries for financial assistance.

* All emails are responded to once the online application is received. Please add info@paws4acure.org into your email address book. If you do not see an email response after you submit in your application, please check your spam folder.

Please be advised that the approval process can take up to 5 business days after all documentation is received.

Pet Assistance Inc. (<http://www.petassistanceinc.org/financialaid>)

PAi helps long time pet owners who have always responsibly taken care of their pet, yet sadly find they cannot afford an exceptional problem.

- Some funds are available to subsidize vet care for urgent or life threatening emergencies only.
- Grants are made based on urgency, prognosis and financial need.
- PAi will need a written estimate from the vet, and if they feel the cost is much higher than the norm for the surgery or treatment, they cannot help.
- PAi does NOT help with unnecessary blood work, routine vet care, costly diagnostics (MRIs, CT scans, etc) or an ongoing illness.
- PAi cannot help financially with *newly or recently acquired* animals.

- Acceptance of PAi's assistance is the owner's acknowledgement that Pet Assistance, Inc. may use any pictures of the pet and descriptions of its medical care for the purposes of promotion and fund raising.

Click on the "Download Application" button on the page

NOTE: SAVE the Application to your desktop after filling it out. THEN put it as an attachment to your email. YOU MAY HAVE TO PRINT OUT the questionnaire and send it back as an attachment AFTER scanning or taking a photo of it with your phone.

The Pet Fund (<http://thepetfund.com/>)

**There may be a waitlist on incoming applications*

The Pet Fund assists owners in covering medical costs beyond the normal expenses of vaccination, spay & neuter surgeries, food and routine veterinary care.

To Begin Application: (<http://www.thepetfund.com/for-pet-owners/the-pet-fund-application/view/form>)

- **ALL applicants are REQUIRED to contact The Pet Fund by phone BEFORE applying for funding. Call 916-443-6007.** This way, we can ensure that all applicants are aware of both the current wait list time and the eligibility requirements for applying for financial assistance. The Pet Fund receives up to 200 calls per day, and it may take our volunteer staff some time to respond to each call and email request. **Applications which are sent in before applicants have spoken with our staff will not be processed.**

Please note – we are not able to fund emergencies. The Pet Fund ONLY funds non-basic, non-emergency care.

- **Applications for veterinary care funding can ONLY be done online from a computer with a printer.** The **ONLY** exception to this rule will be for persons with severe disabilities who are either homebound or who cannot leave their home without assistance. These individuals can have applications mailed to them **with the prior permission of The Pet Fund staff only.** All other mailed applications or letters requesting help will be returned to the senders unopened or discarded.

If you do not have a computer with internet access you will need to go to your local library, which will have computers, printers, and internet access available. Alternatively, you can ask your veterinarian's office for assistance, or you can ask friends or family members to assist you.

- After you have spoken with Pet Fund staff and it has been determined that you may be eligible to apply for funding, you will need to have the following items available to help you complete the financial portion of the online application. We advise that you gather this information together before you begin your online application. **Once you have started the online application, you will not be able to return at a later time to complete it. You will have to start over from the beginning with your online application for funding.**
Collect the following:

- **Proof of income** - This can be a copy of a check stub, unemployment benefits, disability benefits, etc. The proof of income must be recent, and we cannot use tax forms for this purpose.
- **Copy of a written cost estimate for the needed procedures and/or treatment from your veterinarian.**
- **Name, address, and medical license number for your treating veterinarian.** This will be included on your online application form. If you do not have this information available, wait to fill out your online application until you have obtained this information.

Pitbulls Against Misinformation-Veterinary Grant (<http://www.pitbulltruth.org/programs/our-veterinary-fund/>)

If you find yourself in need of assistance with veterinary bills and meet the below requirements, please [email us](#) for an application to be considered for assistance. Please do not call us for Veterinary Grant assistance as we need to communicate via email for documentation purposes. (You **MUST** communicate via email, you cannot fax documents to us.)

The primary function of the grant is to cover costs of LIFE SAVING veterinary care for owners who are otherwise unable to pay.

Important notes:

- Funding is not breed-specific, dogs of any and all breeds and mixes are welcome and encouraged to apply.
- We may be able to help with spay and neuter costs as well, from either our Vet Grant or our Owner Assistance Grant.
- We may be able to help with euthanasia costs, from either our Vet Grant or our Owner Assistance Grant.

Limitations of the Grant:

- Assistance is provided based on approval of application, funds available, and/or availability of volunteers to fundraise (this task is limited to our facebook page admins and is not an available volunteer opportunity to an owner in need).

- Many factors are considered when determining which cases we fund, and which we do not. Pit Bulls Against Misinformation Board Members have sole discretion on which cases are funded, and which ones are not.
- Funding of your case is not guaranteed, and Pit Bulls Against Misinformation reserves the right to deny any application at any time, at our discretion.
- Funds are capped at \$2,500 per incident in most cases.
- Cancer-related costs are capped at \$250.00 per dog.
- Quality-of-life veterinary care is capped at \$150.00 per dog (examples: TPLO surgeries, benign tumors that limit mobility, hip surgeries)
- Payments MUST be made directly to the veterinarian performing the services. The veterinarian MUST be willing to accept payment from us, over the phone, using a credit card. We cannot pay an owner's credit card bill, repay personal loans taken out for a dog's medical care, or repay owners for bills they have already paid.
- Applications for dogs who have suffered repeated injury as a result of multiple fights with other dogs will be denied.
- Your vet must be able to give a prognosis of at or better than 70% survival rate for your dog after services are performed.

Red Rover Relief Grants (<http://www.redrover.org/redrover-relief-grants>)

The goal of the program is to help animals who need immediate veterinary care to survive. Due to the overwhelming number of applications we receive, we cannot help everyone. The typical grant is \$100 to \$200. Decisions are based upon several factors, including: medical urgency, financial need, available funding and eligibility.

ELIGIBILITY GUIDELINES

The applicant (person/group applying for a grant) must:

- The applicant must be seeking assistance for one animal with a life-threatening injury or illness that requires urgent and specific treatment.
- Have already received a diagnosis and treatment plan from a veterinarian. RedRover cannot pay for office exams or diagnostic testing.
- Treatment must have a good or favorable outcome/prognosis.
- Proof of income must be provided upon request.
- The animal must be spayed or neutered (if the animal is not already spayed/neutered, please include plans for having this done when submitting the application).
- The applicant must attempt to find funding through their own means, personal contacts, and [other assistance programs](#). See our [suggestions for fundraising](#).
- Both the applicant and the animal must live in the United States.

The animal must:

- Have a life-threatening injury or illness that requires urgent and specific treatment (this generally excludes hip dysplasia, ligament repair or eye conditions).
- Have a good or favorable outcome/prognosis.
- Be spayed or neutered.

The veterinary clinic must:

- Be aware of the client's financial need.
- Be willing to speak with a case manager from RedRover and provide an itemized estimate upon request.

- Accept a check from RedRover.

RedRover *cannot* help if any of the following apply:

- Treatment has been completed.
- A RedRover Relief Urgent Care grant has already been awarded to this applicant, household, or animal.
- The animal's medical needs are for:
 - ongoing conditions or treatments (such as diabetes or chemotherapy)
 - testing or diagnostic work (such as X-rays, MRI, or blood work)
 - routine care (such as spay/neuter, vaccinations, or annual exams)

After you have carefully reviewed the above eligibility guidelines, complete the Pre-Application Questions here: <https://redrover.org/node/1850>

Once the Pre-Application Form is completed to confirm guidelines are met, you will be prompted to complete the RedRover Relief Urgent Care grant application.

Rose's Fund (<http://www.rosesfund.org>)

At Rose's Fund we are sensitive to the fact that it takes more than love to save a life, and all animals deserve a chance. We will financially assist, to the best of our ability, pet owners and Good Samaritans who have an animal with a good prognosis for a healthy life, but are at a financial loss.

Below are three general guidelines used in making funding decisions. However, every request will be reviewed on a case by case basis and Rose's Fund for Animals reserves the right to either grant or deny a funding assistance request without further explanation.

- The pet/found animal must have a life-threatening illness, injury or condition.
- The illness, injury or condition must require immediate or prompt veterinary intervention in order for the pet/found animal to survive.
- The veterinarian's prognosis (in the veterinarian's best professional judgment) should indicate a positive outcome.

The following are not funded under our current guidelines. This should not be considered as all inclusive:

- 1) Medical care for pets with a poor prognosis or already deceased.
- 2) Medical bills already covered by other resources.
- 3) Cancer diagnosis or treatments.
- 4) Spay/Neuter or routine medical care or vaccinations.
- 5) Dental Care.
- 6) Maintenance medicines.
- 7) Preventable diseases caused by lack of vaccinations or lack of veterinary care. (exceptions made for rescued animals already with the disease).

For further information and to apply online: <http://www.rosesfund.org/Application.html>

STARelief's Home For Life Grant (<http://starelief.org/aid-a-pet-grant/>)

Typically, our grants run between \$100 and \$500. To be considered for one of our grants you **MUST complete** a Home For Life grant application showing proof of financial hardship and provide

us with **all the required** information and material requested on the application. **Only completed applications will be considered for funding.**

We completely understand you are under a lot of stress, but the fastest and most efficient way to get the help you need is by completing the application and sending in all of the required information. **STAR relief grants go directly to the service provider/veterinarian.** At no time do we write checks to grant recipients.

To be considered for a grant you must:

- Demonstrate financial need
- Submit a completed application. If you do not send in all of the required information we will not review your application
- Provide proof that your pet is spayed or neutered, unless applying for a spay/neuter grant
- Demonstrate that you have attempted to find other funding through your own means and personal contacts.
- Provide photo(s), and agree to provide updates of your pet(s)
- Agree to allow us to include any, all or part of your story and picture of your pet in our newsletter, website, Facebook, etc.

Applying for assistance does not automatically mean you are approved. Due to the overwhelming number of applications we receive, we cannot help everyone. Grant approvals are based on several factors: financial need, emergency situation and available funding. We are an all volunteer nonprofit and will do our best to reply to you within two to three business days.

Funds pledged will only be available for 30 days after the date they were originally pledged. All funds go directly to the service provider.

The Home For Life program offers assistance for the following services:

- Emergency Medical Care
- Emergency Boarding / Foster Care
- Spay / Neuter
- Routine Medical Care (vaccines, microchip, etc)
- End-of-Life Services

Home For Life program does not cover the following:

- Services already performed
- Dental Cleaning
- MRI
- Ongoing medications or medical treatments
- Unnecessary lab work or x-rays
- Cremation Services

If you are in need of assistance, please complete the Home-for-Life application.

Canine Cancer Awareness (<http://caninecancerawareness.org/apply-for-financial-assistance>)

** Due to the large number of recent applications, Canine Cancer Awareness, Inc. is temporarily suspending new financial assistance applications. Check the website above for updates.*

Because things can change quite quickly at times, and because they want to keep track of who asks for applications, anyone interested in applying contact the organization directly.

Treatments for canine cancer are very costly and can create financial hardship. If you are struggling and need assistance to provide your dog with cancer treatment you are encouraged to download an application for financial assistance.

In order to focus our efforts effectively, Canine Cancer Awareness has adopted the policies below:

- **Confirmed Cancer Diagnosis Needed** — You need to have a confirmed cancer diagnosis from your veterinarian to have the application reviewed.
- **Payments to Vets Only** — It is our policy to make payments directly to the vet/oncologist only.
- **Only Future Bills Considered** — We can only consider charges that are incurred once a completed application is received. Any charges that are incurred before the completion date of the application cannot be considered. We do not make or reimburse any payments to Care Credit.

If you are interested in applying for financial assistance please contact us at:

Joshua Louis Animal Cancer Foundation (<http://www.joshualouis.org/application.html>)

**Not currently accepting applications. Check the link above for updates.*

Please understand that all of the following conditions must be met in order for you to request an application from the Joshua Louis Animal Cancer Foundation ("JLACF").

- You are the animal's primary caretaker and are authorized to make decisions about your animal's treatment.
- Your animal has been diagnosed with cancer and your **Veterinary Oncologist has indicated that your animal is at a stage that could benefit from surgery, radiation, chemotherapy, or any combination thereof.** Unfortunately not all animals are candidates for treatment and we must rely on the professional opinion of your Veterinary Oncologist. Please understand that our guidelines, as approved by the IRS, require that your pet is under the care of a Board-Certified Veterinary Oncologist.
- You and your household cannot afford to pay for treatment.
- You have recently applied for CareCredit® and are able to attach the credit determination letter received from that organization. Please see below for additional information about CareCredit®. Please note that even though you may qualify for a CareCredit®, you still may be eligible for assistance from the Foundation.
- You have access to the first two pages of your most recently filed U.S. Federal Tax Return(s) and your most recent paystub(s).
- You will allow your animal's photo to be featured on the Foundation's website (no personal client information will be disclosed or displayed and you will be allowed to review any information prior to any website publication). If you would like your story published, you can submit it to the Foundation for consideration of inclusion on the website.

*****AFTER MEETING ALL OF THE CONDITIONS SET FORTH ABOVE, YOU MAY APPLY TO THE JLACF FOR ASSISTANCE. PLEASE NOTE THAT THE JLACF ONLY ISSUES FUNDS TO VETERINARY FACILITIES UPON RECEIPT OF A SPECIFIC INVOICE. TO CONTINUE THIS PROCESS, PLEASE SEND AN EMAIL TO ADMIN@JOSHUALOUIS.COM. PLEASE FOLLOW INSTRUCTIONS CAREFULLY.***

The Magic Bullet Fund (<http://themagicbulletfund.org/apply/>)

Magic Bullet Fund (MBF) provides financial assistance for canine cancer treatment only when the family is financially unable to provide treatment. MBF dogs would not be able to have (or complete) cancer treatment without our assistance. Most families contribute some portion of the treatment fees and MBF contributes only the amount that the family cannot pay.

MBF asks that you read “how it works” before applying: <http://themagicbulletfund.org/about-us/how-it-works/>

Eligibility requirements for funding:

- You are the dog's primary caretaker and owner and the person who pays for the dog's medical care
- A veterinarian has diagnosed your dog with cancer (we DO accept applications when a mass must be removed but cannot be diagnosed without surgery)
- Your dog has been seen by the veterinarian who will provide cancer treatment
- You must give your veterinarian permission to speak to Magic Bullet Fund about your dog
- Age/weight limits:
 - Dogs 0 to 40 pounds must be 11 or younger
 - Dogs 40 to 80 pounds must be 10 or younger
 - Dogs 80 to 100 pounds must be 9 or younger

- Dogs over 100 pounds must be 8 or younger

Magic Bullet Fund does not offer assistance for the following:

- Hemangiosarcoma: unless it is **cutaneous** hemangiosarcoma
- Osteosarcoma (in a limb): We do accept applications for amputation surgery, but not for chemotherapy
- Relapsed lymphoma: If the dog was in remission but has come out of remission
- Radiation therapy
- Mammary cancer for a female dog that is 4 years old or more, and has not been spayed

Applicants must be ready to provide the following documents:

1. 1040 from most recently filed tax return, or Disability letter/stub or SSI letter/stub
2. Last month's bank statement
3. Your car registration
4. An invoice from the clinic where your dog will have cancer treatment
5. Anything to help us determine that you need our help... foreclosure letter, bankruptcy letter, etc.
